

# For Gōcauo

*Andrixos Seljukroctonis*

From land of Bright Sun  
To Triple Sea Realm  
Came Gōcauo Ramiriç  
With hammer and helm.

## *Chorus*

*Strike down every foeman  
Strike out every flan  
Add value through action  
We praise now this man.*

By sword was he known  
Soon white belt he wore  
For smiting the land's bane  
He fealty swore.

## *Chorus*

To serve more the Crown  
He held Wyvernwood well  
He spoke for his people  
While joined with Sibeal

## *Chorus*

Through striking of coins  
Of silver and gold  
He's grown kingdom's treasure  
Added riches untold.

## *Chorus*
